About me

High-achieving junior at Paradise Honors High School with a 3.5+ GPA. Admitted to the West-Mec coding program based on academic merit and strong student profile.

Volunteer /Experience

Surprise Recreation

2020-2024 Summer/Fall

Volunteered as a coach for the Surprise Little League tryouts. Shared baseball skills and expertise to help young players develop their abilities in a fun and supportive environment.

Volunteer coach for the Surprise 10u Softball league. Primary focus is improving batting while creating a fun environment. Applied my knowledge and was able to complete the last two games of the seasons with zero strike outs.

Landscaping

Summer of 2024

Achieved personal financial goal of saving \$1,000 for a down payment on my first vehicle. Successfully launched a neighborhood landscaping business, securing contracts totaling over \$1,500. Demonstrated leadership by hiring and managing a team of two employees to complete a large-scale gravel project on time

Cleaner - Desert Farmlights

Winter of 2024

My first professional role involved managing sanitation duties, customer service, and long shifts. I developed the ability to work extended hours while consistently maintaining a positive and professional demeanor. Despite periods of understaffing, I efficiently balanced my responsibilities and addressed customer inquiries promptly. The position also emphasized teamwork, collaborating closely with a small group of colleagues to ensure smooth operations.

Education
